Stanford, California 94305

Dear Doctor Lederberg:

The National Advisory Allergy and Infectious Diseases Council, at its meeting on June 21-22, 1973, recommended approval of your application for a research grant. The total direct cost levels ascertained by NIAID staff and the period of time recommended are indicated below.*

Despite the Council's recommendation, the position of your application in competition with other proposals may preclude payment of this project. You will be promptly notified if support can be provided. If payment cannot be made before June 30, 1974, your application will be administratively inactivated.

We will appreciate prompt notification if you accept support for this project from another source.

*

Please contact me if you wish to obtain a specific critique relative to the review of your proposal.

*Project Year	Direct Costs Recommended
16	\$60,000
17	63,000
18	66,150

Footnote: Categorical allocations to be negotiated.

Sincerely yours,

Irving P. Delappe
